3, We have selected the Govt Architect and the Chairman, Labour Housing Corporation to represent the Mysore State at the conference. The subjects to be discussed in this conference are of technical nature people with technical knowledge and who are concerned with planning would be more useful than others. It is not known why the Corporation have selected 7 members (including their Deputy Engineer) as delegates to participate in the seminar. In this connection it is submitted that the proposal of the Mysore Tenant Board to depute the Engineer of the Board & the Asst Commr of Mysore city was rejected. No useful purpose will perhaps be served to depute in sending Corporators as delegates who to participate in the conference. The delegates already selected viz the Govt Architect & the Chairman Labour Housing Corporation may be requested to send a report on the light of the discussions that may be taken by the Conference, so that the report may be sent to all Local Bodies for implementation

If it is found necessary ~~If it is~~ ~~found~~ ~~necessary~~ ~~to~~ ~~be~~ ~~so~~ ~~viewed~~ that the resolution of the corporation may be approved, then the question of fixing rates of D A and T A as proposed may be considered in consultation with the Financial Advisor (It is also not clear why the route via ~~Bombay~~ Madras & ~~Madras~~ is selected)

3) Much can be said both for deputing these persons and for not deputing them But how much has to be stated — ~~that~~ the State Govt have selected two ~~these~~ Officers to represent Govt of Mysore The Corpn has been separately addressed by the Hon Secy Institute of Town Planners New Delhi The Corpn wants to send 6 non-official members and one officer at a cost of Rs 3134-9-0 The object seems to be to give scope to non-officials also to know the ~~object of the~~ ways & means of improving the terms Now 6 non-officials & one officer have been selected It may not be desirable to depute anyone, as Govt have already deputed

6) But if Govt were to take a decision to give scope to non-officials also then instead of 6 members only 3 members may be selected, the discretion of selecting 3 may be left to the Corpn
